PATENT  
P56975REMARKS

This Amendment After Final is prepared in response to the Final Office action mailed 1 May 2007 (Paper No. 20070426). Upon entry of this amendment, claims 9 and 15 will be pending. Applicant has canceled claims 1-8, 21, 22 and 24-27 without prejudice or disclaimer as to their subject matter by this amendment.

Allowable Subject Matter

In paragraph 13 of Paper No. 20070426, the Examiner deemed that claims 9 and 15 are allowed. Applicant is relying on this by this amendment and, as a result, is canceling all non allowed claims by this amendment to place Applicant's application in instant condition for allowance. As a result, Applicant expects a Notice of Allowance for claims 9 and 15 upon the filing of this amendment.

In view of the above debate, the foregoing amendment, and remarks, all claims are deemed allowable and this application is believed to be in condition to be passed to issue. If there is any question, the Examiner is asked to contact the Applicant's attorney.

No other issues remaining, reconsideration and favorable action upon all of the claims now present in the application is respectfully requested.
